

PRESIDENT'S MESSAGE

I am pleased to present the 2009-2010 Annual Report for the Financial Management Institute of Canada (fmi�igf). fmi�igf is committed to increased transparency and accountability to its members. On behalf of the fmi�igf National Board of Directors, I acknowledge responsibility for this report and am pleased to provide assurances on the accuracy and reliability of the information contained within it.

2009-2010 was another exciting year for fmioigf! This annual report highlights our key accomplishments, including:

- > The on-going success of national events, namely Professional Development Week 2009 in Gatineau, QC, which attracted 3,500 delegates in November and our Public Sector Management Workshop (PSMW) 2010 which drew 300 attendees to beautiful Halifax, NS in June;
- > Implementation of the Affiliates Advisory Group (AAG) to enhance relationships with our many stakeholder groups and offer opportunities to work together to achieve the fmi@igf vision of Excellence in public sector financial management;
- > The unveiling of the fmi@igf blog, a new interactive information and discussion medium for members, supplemented by our increased social media presence on Facebook and Twitter; and
- > Continuous quality improvement of our many products and services, including the fmioigf website, highly successful webinar series and the *fmioigf journal*.

Of course, none of these outstanding accomplishments would be possible without the involvement of fmitigf members from coast to coast. I would again like to recognize the work of our National Board of Directors, National Office staff, PD Week and PSMW Co-chairs and Organizing Committee, and the 400 committed and enthusiastic volunteers across the country who worked tirelessly to provide members and others with quality and relevant professional development and networking opportunities in 2009-2010. Their hard work and dedication is the lifeblood of fmitight and is vital to the on-going success of the organization.

I am pleased to pass the torch into the capable hands of our next National President, John Martin from St. John's, NL. 2010-2011 promises to be a challenging year as fmioigf faces declining membership and decreasing event attendance, however, I am confident that John will provide the effective leadership necessary to ensure our continued success. I am excited by the opportunity to work with John, the Board of Directors and the National Office staff for another year.

Mike Pestill, CMA

2009-2010 fmi igf National President

OVERVIEW OF THE fmitigf

Preface

The Financial Management Institute of Canada is a national not-for-profit organization that operates as a network of 13 chapters located across Canada, all working to improve the financial management of all levels of government as well as non-government organizations. fmi\(\phi\)igf is directed by volunteer boards, both nationally and regionally, with the support of a National Office staff. Each year, over 5,000 members and non-members take advantage of learning programs such as publications, conferences, workshops and webinars. Seminars focus on contemporary themes related to the management of public sector resources.

Our Vision

Excellence in public sector financial management.

Our Mission

fmioigf is the leading source in Canada for professional development in new and emerging trends, best practices and topical issues to public sector financial management stakeholders.

Our Values

Member-focused – Members are the lifeblood of fmioigf. Planning and delivery of all programs and services involves a thorough and on-going consideration of their needs.

Sharing – fmi

igf strives to continuously create opportunities for sharing of experiences, information and best practices among members and other public sector stakeholders. Sharing leads to a strengthened membership and knowledgeable, well-informed and engaged members who contribute to excellence in the financial management of public sector resources.

Quality – fmi\(\phi\)igf strives for the highest quality in its programming and services to members. From information to members in the fmi\(\phi\)igf journal, through to excellent speakers for events, quality is a constant driving force that guides decisions and progress.

Relevance – fmi@igf provides pertinent perspectives on the current challenges and best practices in public sector financial management. Relevance of programming is a paramount consideration in developing and delivering national and local events, so as to help ensure members are well informed on topical issues.

OUR STRATEGIC PRIORITIES

There are four strategic priority areas that will guide fmioigf's activities over the coming years to ensure it focuses on what is important to our members:

Strategic Priority 1 – Strengthen and improve benefits to members so as to sustain, increase and engage fmi@igf membership.

Strategic Priority 2 – Ensure that fmioigf is recognized by its members and target audiences as the leading source in Canada for professional development and knowledge sharing in the field of public sector financial management.

Strategic Priority 3 – Promote fmi@igf to public and private sector decision makers and information providers as the leading conduit of information and guidance to members and target audiences.

Strategic Priority 4 – Organize and manage fmioigf effectively and ensure open communications within the organization.

OUR NATIONAL OFFICE MESSAGE

After Erica Comeau's departure from fmi\(\phi\)igf, the National Office welcomed Cheryl Elliott, the new Marketing and Communications Coordinator in July 2009. Cheryl's creative talents have helped revamp the fmi\(\phi\)igf journal and the fmi\(\phi\)igf website.

In the past year, the National Office staff was collectively or individually involved in various national projects that supported the ambitious Operational Plan which was approved at the beginning of the 2009-2010 fiscal year.

Both the Professional Development (PD) Week and the Public Sector Management Workshop (PSMW) occupied the National Office staff from all aspects of registration, website maintenance and updating, design and printing.

The staff also completed research into the number of financial officers in various governments across Canada. This information will be used as the foundation for future Chapter marketing activities.

Under the Managing Director's leadership, the webinar series proved to be successful again this year with the archived versions being viewed close to 20,000 times. This new interactive tool has helped financial officers from across the country to keep abreast of current topics.

With the assistance of the Communications Director, the National Office team produced the 3rd annual "Community Report" in the spring 2010 as well as the new Social Media Policy and the National Sponsorship Policy.

National Office representatives attended both the Eastern and Western Chapters Presidents' meetings to impart national ideas and viewpoint into the Chapters' planning process.

OUR CHAPTERS AND MEMBERSHIP

MEMBERSHIP BY AFFILIATION

As of June 30, 2010, fmioigf had a total of 2,141 members. This represents a decrease of 7% from the previous year. The most significant drop off for membership appears to be in renewals as an increasing number of retirees are no longer members.

The following charts illustrate the distribution of members across the 13 Chapters, including membership by affiliation, activities and attendance as well as professional development days and PD hours provided.

OUR ACTIVITIES

fmi; igf offers several activities intended for members: the *fmi; igf journal*, the Public Sector Management Workshop, Professional Development Week, and Chapter events.

fmi\pigf journal

We moved forward on several initiatives established under the leadership of the previous fmioigf editor, Lyne Gélinas. In the past year, the fmivigf journal has established several new initiatives related to style, format and content to better serve our membership audience. For example, the editorial has been revamped to consider pressing organizational workplace issues. Additionally, the fmivigf journal has expanded its coverage to include viewpoints from key government players on a broad range of government accounting, auditing and financial management topics of concern to our readership and to other public sector professionals. This has also increased our readership to an average of 3,000 copies, which were distributed in the Fall 2009, Winter 2010 and Spring 2010 issues. In expanding our fmi@igf journal network, several fmioigf articles are now utilized by a variety of public sector and academic institutions to enhance individual and organizational learning. We expect this network of utilization will continue to grow as a result of our searchable article database since we now have a more comprehensive listing of bilingual articles on the fmi\pigf website.

As is our practice each year, the *fmi*\$\pi igf journal acknowledges an outstanding contributor with the Alan G. Ross Award for Writing Excellence. The purpose of this award is to recognize the best article, which has been published in the *fmi*\$\pi igf journal during the year. The 2009-2010 Alan G. Ross Award winner is Chris Jones for his article entitled "From Strategy to Execution – Delivering on the CEO's Promises." Mr. Jones is a partner in StrategicLink Consulting of Victoria BC.

PSMW 2010 Halifax

The 23rd annual Public Sector Management Workshop was held in Halifax, Nova Scotia, from June 13 to 15, 2010. An opening reception was held at the Maritime Museum of the Atlantic on Sunday evening, highlighting local culture and featuring entertainment by the Shannon Park Elementary School African Performance Troupe, the Amethyst Scottish Dancers and the Halifax Schools

Senior String Ensemble. Attendees were welcomed to the city by representatives from Halifax City Council and the Canadian Navy, which is celebrating its 100th year of service to Canadians in 2010.

With the theme "Cresting the Wave: Innovations in Accountability", the event continued for the next two days at the Halifax Marriott Harbourfront Hotel. Monday's keynote speakers were The Honourable Frank Corbett, Deputy Premier of Nova Scotia and Chair of Treasury Board, and the Associate Deputy Minister Liz Cody, who spoke on the fiscal initiatives being undertaken by Nova Scotia's first NDP government. On Tuesday, Rear Admiral Paul Maddison spoke about the history and current role of Canada's Navy. The Comptroller General of Canada, James Ralston, was also present to provide his comments during Tuesday's opening session.

Over 300 participants enjoyed 15 breakout sessions with 25 speakers on the themes Innovations in Accounting, The Economy, The Environment and The Human Connection. The final event was a plenary session featuring economist Jeff Rubin, best selling author of "Why Your World is About to Get a Whole Lot Smaller".

Along with lots of superb local food and entertainment, the beautiful warm weather and the efforts of a committed group of volunteers, the event was deemed a great success.

The Honourable Pierre Pettigrew, former federal cabinet minister and now, International Relations Advisor with Deloitte presenting a fascinating speech at PSMW 2010 Halifax

PD Week

The Professional Development Week is always the highlight of the year for the fmi\(\phi\)igf community. This year, almost 3,500 delegates attended at least one day of professional development at the Hilton Lac-Leamy in Gatineau, Quebec.

A new session on human capital was added to the PD Week program and delegates had an opportunity to improve their knowledge of the most important resource of the public service.

Mrs. Sheila Fraser was the Honorary Chair of PD Week, which attracted world-class level speakers, such as Mr. David Walker and Mr. Douglas Porter. As always, this event continues to offer members and delegates a high quality conference, true to its theme, "Leadership in Challenging Times".

The exhibitors' hall also contributed in keeping delegates well informed about various providers and organizations that do business with all levels of government.

PD WEEK PARTICIPATION

Chapter Events

A key benefit of all Chapter program events is the networking opportunity it affords delegates to professionally and socially interact with people from other governments and departments.

Various events are held annually by fmi\(\phi\)igf National and fmi\(\phi\)igf's thirteen Chapters. Throughout the year, fmi\(\phi\)igf hosts over 60 events in all of Canada's provinces. fmi\(\phi\)igf's Chapters address local public sector financial management topics and offer Chapter members access to regional networking opportunities. Over the last year, close to 16,710 hours of professional development were offered at the Chapter level.

OUR ACHIEVEMENTS

For the second consecutive year, Mike Pestill served as fmi@igf's National President. Under Mr. Pestill's guidance, the National organization developed and sustained several projects to facilitate the organization's continued growth.

As a way for members to actively learn and network, the fmioigf introduced a new interactive information and discussion medium, the fmioigf blog. In addition to this, a task group drafted a Social Media Policy.

With the plan to document all existing policies of the organization, the new National Policy Framework was completed in April 2010 and implementation was effective July 1, 2010. Many policies previously in the by-laws are now included in the policy framework to reflect their current nature and facilitate making timely changes to reflect new and evolving situations.

fmi; igf saw the implementation of the Affiliates Advisory Group (AAG). The AAG's mission is to bring academia, not-for-profit organizations, and industry and government executives together to exchange information, support professional development, improve communications and understanding, solve issues, and build partnership and trust.

Strategic meetings were held to discuss two of the fmiigf's products, the *fmiigf journal* and the webinar program. The first 10 webinars were attended by over 800 people and the archived versions were viewed close to 20,000 times. Work also resumed on the National Sponsorship Strategy and the National Office concluded the fmiigf website cleanup.

"Leadership in Challenging Times" was the Professional Development Week 2009's theme. Nearly 3,500 delegates from the public and private sector financial management community participated in workshops, seminars and exhibits. Several networking event opportunities were offered including the hockey night at Scotiabank Place, the fmioigf National President's reception and the very successful Friday night Soirée.

Over 300 delegates attended the two-day Public Sector Management Workshop (PSMW) 2010 in beautiful Halifax, Nova Scotia. The workshops focused on the sharing of innovations to respond to the pressures of environmental issues and economic instability. Delegates indulged in the wonderful Maritime hospitality and helped celebrate the 100th anniversary of the Canadian Navy.

OUR OBJECTIVES FOR 2010-2011

fmi@igf will maintain initiatives to complement the organization's strategic priorities. This will be accomplished by:

- Maintaining and improving existing benefits to members, which consists of engaging nationally renowned speakers at the Chapter and National level.
- > Organizing webinars that will focus on topical best practices in the financial community.
- > Marketing to potential groups in order to expand Chapter membership.

- > Formalizing the addition of a 14th Chapter in South Eastern New Brunswick.
- Developing and implementing numerous initiatives such as the National Membership Database, Social Media Policy and Sponsorship Strategy Policy.
- > Nurturing the growth of the Affiliates Advisory Group and other fmioigf organization's sponsors in order to establish opportunities for all parties.

MANAGEMENT DISCUSSION AND ANALYSIS IN SUPPORT OF AUDITED FINANCIAL STATEMENTS

The Financial Management Institute of Canada maintains a healthy members' equity exceeding \$500,000 of which \$250,000 is retained in a reserve fund. fmi\(\phi\)igf has \$300,000 of its net assets invested in guaranteed investment certificates that generate interest revenue to support the organization's activities.

In 2009-2010, fmidigf revenues equaled approximately \$1.7 million, an increase of nearly \$200,000 due to a highly successful Professional Development Week. A continuing

positive sign was the support from our conference sponsors who again contributed \$270,000 to our PD Week and PSMW conferences.

Expenses in 2009-2010 totaled \$1.53 million, resulting in an operating surplus of \$185,522. Included in the expenses of the year were the Chapter Investment Restricted Fund expenditures of \$20,401 that were incurred for the benefit of activities at our thirteen Chapters.

STATEMENT OF MANAGEMENT RESPONSIBILITY

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended June 30, 2010 and all information contained in these statements rests with management of the Financial Management Institute of Canada (fmi*igf). These financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles.

Management is responsible for the integrity and objectivity of the information in these financial statements. Some of the information in the financial statements is based on management's best estimates and judgment and gives due consideration to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts that provides a centralized record of the fmi*igf's financial transactions.

Management maintains a system of financial management and internal controls designed to provide reasonable assurance that financial information is reliable, that assets are safeguarded and that transactions are executed in accordance with prescribed policies. Management also seeks to ensure the objectivity and infegrity of data in its financial statements by careful selection, training and development of qualified staff, as well as by organizational arrangements that provide appropriate divisions of responsibility.

The financial statements of the fini*igf have been audited by Marcil Lavallée, Chartered Accountants, Licensed Public Accountants, the independent auditors for the Financial Management Institute of Canada.

AUDITORS' REPORT

To the members

Financial Management Institute of Canada

We have audited the statement of financial position of the Financial Management Institute of Canada (fini*igf) as at June 30, 2010 as well as the statements of operations and changes in net assets for the year then ended. These financial statements are the responsibility of the fini*igf's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the fini*igf as at June 30, 2010 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

L'Institut de la gestion financière du Canada

Nous avons vérifié l'état de la situation financière de l'Institut de la gestion financière du Canada (igfl'fini) au 30 juin 2010 ainsi que les états des résultats et de l'évolution des actifs nets de l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction de l'igfl'fini. Notre responsabilité consiste à exprimer une opinion sur ces états financiers en nous fondant sur notre vérification.

Notre vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

À notre avis, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière de l'igf[®]fini au 30 juin 2010, ainsi que les résultats de ses activités et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus du Canada.

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 2010

NOTES COMPLÉMENTAIRES 30 JUIN 2010

. STATUTE AND NATURE OF OPERATIONS

The Financial Management Institute of Canada (fmi*igf) is the leading source in Canada for professional development in new and emerging trends, best practices and topical issues to public sector financial management stakeholders. The fmi*igf was incorporated March 31, 1982 under the Canada Corporations Act and is exempt from income tax.

These financial statements reflect the assets, liabilities and operations of the fmi*igf. They do not include the assets, liabilities or operations of the Regional Chapters which, although associated with the fmi*igf, are separately managed and report to separate Boards of Directors.

2. CHANGE IN ACCOUNTING POLICIES

Financial statement presentation

The Canadian Institute of Chartered Accountants (CICA) has changed Section 4400, "Financial Statement Presentation by Not-for-profit Organizations" in order to eliminate the requirement to treat net assets invested in capital assets as a separate component of net assets and, instead, permit a not-for-profit organization to present such an amount as a category of internally restricted net assets when it chooses to do so. The accounting change came into effect on July 1st, 2009. The fmil*igf's net assets invested in capital assets are now presented as part of its unrestricted net assets.

1. STATUT ET NATURE DES ACTIVITÉS

L'Institut de la gestion financière du Canada (igt*fini) est la principale source au Canada de perfectionnement professionnel pour tous ceux et celles qui s'intéressent à la gestion financière du secteur public – les tendances nouvelles et émergentes, pratiques exemplaires et enjeux particuliers. L'igf*fini a été incorporé le 31 mars 1982 en vertu de la Loi sur les corporations canadiennes et est exonéré de l'impôt sur le revenu.

Les présents états financiers tiennent compte de l'actif, du passif et des résultats des activités de l'igf*fini. Ils excluent l'actif, le passif et les résultats des activités des sections locales qui, bien qu'elles soient associées à l'igf*fini, font l'objet d'une gestion distincte et relèvent de conseils d'administration différents.

2. MODIFICATION DE CONVENTIONS COMPTABLES

Présentation des états financiers

L'Institut Canadien des Comptables Agréés (ICCA) a modifié le chapitre 4400 du Manuel de l'ICCA, « Présentation des états financiers des organismes sans but lucrafif » afin d'éliminer l'obligation de traiter les actifs nets investis en immobilisations comme une composante distincte des actifs nets pour plutôt laisser aux organismes sans but lucratif la possibilité de présenter ce montant comme une catégorie d'actif net grevé d'une affectation d'origine interne. Ce changement est en vigueur depuis le 1st juillet 2009. Les actifs nets investis en immobilisations de l'igf*fini sont donc présentés dans les actifs nets non affectés.

JUNE 30, 2010

NOTES COMPLÉMENTAIRES 30 JUIN 2010

3. SIGNIFICANT ACCOUNTING POLICIES

Use of estimates

The preparation of financial statements in compliance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual amounts could differ from these estimates.

Revenue recognition

The fmi*igf follows the deferral method of accounting for its revenue. Funds received are recognized as revenue in the year in which the activity takes place and the related expenses are incurred.

Membership fees are set annually by the Board of Directors and are recognized as revenue proportionately over the fiscal year to which they relate. Investment income is recognized on an accrual basis.

Contributed services

The fmi*ligf carries out its activities with the assistance of many volunteers who donate a considerable number of hours. Because of the inherent difficulty in determining their fair value, contributed services are not recognized in the financial statements.

3. PRINCIPALES CONVENTIONS COMPTABLES

Utilisation d'estimations

La préparation d'états financiers selon les principes comptables généralement reconnus du Canada requiert l'utilisation de certaines estimations et hypothèses faites par la direction, ayant une incidence sur les actifs et les passifs présentés et sur la présentation des actifs et des passifs présentés et sur la présentation des actifs et postes de produits et de charges constanés au cours de la période visée par les états financiers. Les montants réels pourraient être différents de ces estimations.

Constatation des produits

L'igf*fimi comptabilise ses produits selon la méthode du report. Les montants reçus sont constatés à titre de produits de l'exercice au cours duquel l'activité a lieu et les charges connexes sont engagées. Les cotisations, qui sont fixées annuellement par le conseil d'administration, sont constatées au prorata dans l'exercice auquel elles se rapportent. Les produits de placements sont constatés selon la méthode de la comptabilité d'exercice.

Apports reçus sous forme de services

L'igf*fmi ne pourrait exercer ses activités sans les services qu'il reçoit de nombreux bénévoles qui lui consacrent un nombre d'heures considérable. En raison de la complexité imhérente à la détermination de leur juste valeur, la valeur des apports reçus sous forme de services n'est pas constatée dans les états financiers.

. SIGNIFICANT ACCOUNTING POLICIES (continued)

Allocation of common costs

The fimi*igf allocates some of its National Administration's wages and benefits to the Program PD Week on a pro rata basis for time spent on the program.

Chapter Investment Restricted Fund

The Chapter Investment Restricted Fund was created in 2004-2005 for the exclusive use of the fmi*igf Chapters. Through formal submissions, Chapters may requisition these funds under criteria established by the fmi*igf's Board of Directors.

Reserve Fund

The Reserve Fund was created to restrict existing surpluses for future use in the event of an unforeseen circumstance requiring issuance of non-budgeted funds.

Capital assets

Capital assets whose cost is greater than \$1,000 are recorded at cost. Amortization of capital assets is provided for over their estimated useful lives under the diminishing balance method at the following annual rates, with 50% of the annual amortization taken in the years of acquisition and disposal:

Computer equipment and software Furniture and equipment

3. PRINCIPALES CONVENTIONS COMPTABLES (suite)

Ventilation des charges communes

L'igf[®]fmi ventile certains salaires et avantages sociaux de l'administration nationale au Programme de PP au prorata du temps consacré au programme.

Fonds affecté pour l'investissement dans les sections

Le fonds affecté pour l'investissement dans les sections a été créé en 2004-2005 pour l'usage exchusif des sections de l'igf*fimi. Par soumission formelle, les sections peuvent réquisitionner ces fonds selon des critères établis par le conseil d'administration de l'igf*fini.

Fonds de réserve

Le fonds de réserve a été créé afin d'affecter des surplus existants en prévision d'évènements futurs imprévus qui nécessiteraient l'utilisation de fonds non budgétés.

Immobilisations

Les immobilisations dont le coût est supérieur à 1 000 \$ sont comptabilisées au coût et sont amorties sur la durée utile estimative selon la méthode du solde dégressif aux taux annuels suivants, avec 50 % de l'amortissement annuel enregistré dans l'année d'acquisition et de disposition :

Équipement informatique et logiciels Ameublement et équipement

3. SIGNIFICANT ACCOUNTING POLICIES (continued)

Capital disclosures

The fmi*igf's main objective with respect to capital management is to maintain a sufficient level of net assets, thereby ensuring the continuity of the fmi*igf and the ongoing fulfillment of its mission.

Financial instruments - disclosure and presentation

The fmi*igf has elected to take advantage of the choice to apply the CICA Handbook Section 3861, "Financial Instruments – Disclosure and Presentation" in place of Sections 3862, "Financial Instruments – Disclosures" and 3863, "Financial Instruments – Presentation".

Financial instruments

The fmi*igf has elected to classify its financial assets and liabilities in the following manner.

Loans and receivables

Accounts receivable are measured at amortized cost using the effective interest method. Gains and losses related to derecognition of these financial assets are recognized in the statement of operations in the period in which they arise.

3. PRINCIPALES CONVENTIONS COMPTABLES (suite)

Informations à fournir concernant le capital

L'objectif principal de l'igf[®]fmi en termes de gestion du capital est de maintenir un niveau suffisant d'actifs nets pour assurer la pérennité de l'igf[®]fmi et ainsi pouvoir confinuer à réaliser sa mission.

Instruments financiers - informations à fournir et présentation

L'igf*fini s'est prévalu du choix d'appliquer le chapitre 3861,
« Instruments financiers – informations à fournir et présentation » du
Manuel de l'ICCA au lieu des chapitres 3862, « Instruments
financiers – informations à fournir » et 3863, « Instruments
financiers – présentation ».

Instruments financiers

L'igf*fmi a fait le choix de classer ses actifs et ses passifs financiers de la façon suivante :

Prêts et créances

Les débiteurs sont évalués au coût après amortissement selon la méthode du taux d'intérêt effectif. Les gains et les pertes liès à la décomptabilisation de ces actifs financiers sont présentés à l'état des résultats de l'exercice au cours duquel ils se produisent.

Financial instruments (continued)

Held-for-maturity investments

Term deposits are measured at amortized cost using the effective interest method. Gaims and losses related to derecognition of these financial assets are recognized in the statement of operations in the period in which they arise.

Held-for-trading financial assets and liabilities

Cash is measured at fair value using the market price method. Gains and losses are recognized in the statement of operations in the period in which they arise.

Other financial liabilities

Accounts payable and accrued liabilities are measured at amortized cost using the effective interest method. Gains and losses related to derecognition of these financial liabilities are recognized in the statement of operations in the period in which they arise.

3. PRINCIPALES CONVENTIONS COMPTABLES (suite)

Instruments financiers (suite)

Placements détenus jusqu'à leur échéance

Les dépôts à terme sont évalués au coût après amortissement selon la méthode du taux d'intérêt effectif. Les gains et les pertes liés à la décomptabilisation de ces actifs financiers sont présentés à l'état des résultats de l'exercice au cours duquel ils se produisent.

Actifs et passifs financiers détenns à des fins de transaction

L'encaisse est évaluée à la juste valeur selon la méthode du cours du marché. Les gains et les pertes sont présentés à l'état des résultats de l'exercice au cours duquel ils se produisent.

Autres passifs financiers

Les créditeurs et frais courus sont évalués au coût après amortissement selon la méthode du taux d'intérêt effectif. Les gains et les pertes liés à la décomptabilisation de ces passifs financiers sont présentés à l'état des résultats de l'exercice au cours duquel ils se produisent.

4. NEW ACCOUNTING STANDARDS

International financial reporting standards

The Accounting Standards Board (AcSB) has announced that all publicly accountable enterprises, subject to some exceptions including not-for-profit organizations, must adopt International Financial Reporting Standards (IFRS) as Canadian generally accepted accounting principles for fiscal years beginning on or after January 1st, 2011. The fmi*figf may elect to adopt IFRS, Management is currently assessing the impact of adopting the new standards.

4. NOUVELLES NORMES COMPTABLES

Normes internationales d'information financière

Le Conseil des normes comptables (CNC) a annoncé que toutes les entités canadiennes ayant une obligation publique de rendre des comptes, sous réserve de certaines exceptions dont les organismes sans but lucratif, adopteront les Normes inlemationales d'information financière (IFRS) à titre de principes comptables généralement reconnus du Canada pour les exercices ouverts à compter du ler janvier 2011. L'igf*fini peut choisir d'adopter les IFRS. La direction évalue actuellement les incidences qu'aurait l'adoption de ces nouvelles normes.

7. ALLOCATION OF COMMON COSTS

Wages and benefits totalling \$10,166 (2009: \$8,997) have been allocated to the Program PD Week.

A. CREDIT FACILITY

The fmi*igf has an operating line of credit facility with a maximum availability of \$100,000. Interest is payable at the bank's prime rate. This operating facility is secured by two term deposits totalling \$100,000. As of June 30, 2010, the operating facility remains unused.

V. STATEMENT OF CASH FLOWS

The statement of cash flows has not been prepared as it would not provide any additional information useful in understanding the cash flows for the year.

7. VENTILATION DES CHARGES COMMUNES

Des salaires et des avantages sociaux totalisant 10 166 \$ (2009: 8 997 \$) ont été ventilés au Programme de PP.

8. MARGE DE CRÉDIT

L'igf*fmi dispose d'une marge de crédit autorisée de 100 000 \$
renouvelable annuellement, au taux de base. Cette marge de crédit
est garantie par deux dépôts à terme totalisant 100 000 \$. Au
30 juin 2010, la marge de crédit était inutilisée.

9. ÉTAT DES FLUX DE TRÉSORERIE

L'état des flux de trésorerie n'est pas été présenté, car il n'apporterait pas de renseignements supplémentaires utiles pour la compréhension des flux de trésorerie de l'exercice.

10. FINANCIAL INSTRUMENTS

Credit risk

In the normal course of its operations, the fmi*igf continuously reviews the financial situation of its clients. The fmi*igf establishes allowances for doubtful accounts while keeping in mind the specific credit risk of clients, their historic tendencies and economic situation. Approximately 28% of the total trade accounts are to be received from one entity.

Fair value

The carrying value of cash and accounts receivable as well as accounts payable and accrued liabilities approximates their fair value given their short term maturities.

11. COMMITMENTS

The commitments entered into by the fmi*igf under lease agreements total \$59,505. Payments for the next five years are as follows:

10. INSTRUMENTS FINANCIERS

Risque de crédit

L'igf*fmi évalue la condition financière de ses clients sur une base continuelle. L'igf*fmi établit une provision pour créances douneuses en tenant compte du risque de crédit de clients particuliers, des tendances historiques et d'autres informations. Environ 28 % du total des comptes clients sont à recevoir d'une société.

Juste valeur

La valeur comptable de l'encaisse, des débiteurs ainsi que des créditeurs et frais courus se rapproche de leur juste valeur étant donné que ces éléments viennent à échéance à court terme.

11. ENGAGEMENTS CONTRACTUELS

Les engagements pris par l'igf*fini en vertu de baux totalisent 59 505 \$ et les versements pour les cinq prochains exercices sont les suivants:

12. GUARANTEES

The fmi*igf purchases directors' and officers' liability insurance on behalf of the Regional Chapters. The fmi*igf has indemnified past, present and future directors, officers, trustees, employees, volunteers and members, against expenses, judgments and any amount actually or reasonably incurred by them in connection with any wrongful act in which they are sued as a result of their service, if they acted honestly and in good faith with a view of the best interests of the fmi*igfiChapter. The fmi*igf believes the likelihood that it will incur significant liability under these arrangements is remote and accordingly, no amount has been recorded in the financial statements for these guarantees.

12. GARANTIES

Pour le compte des sections locales, l'igf"fini souscrit une assurance responsabilité civile pour ses administrateurs et dirigeants. L'igf"fini indemnise les administrateurs, dirigeants, fiduciaires, salariés, bénévoles et membres, passés, présents et futurs, à l'égard de frais, de jugements et de toute somme réellement ou raisonnablement engagée par ces derniers relativement à toute poursuire intentée contre eux à la suite d'un quelconque acte fautif commis dans l'exercice de leurs fonctions, s'ils ont agi avec intégrité et bonne foi dans l'intérêt véritable de l'igf"fini/de la section locale. L'igf"fini estime qu'il y a très peu de risques que de telles réclamations lui occasionnent des frais importants et, par conséquent, aucun montant n'a été inscrit dans les états financiers à l'égard de ces garanties.
