Additional Information for Prospective New FMI Members

The St. John's Chapter of the Financial Management Institute was formed in November 2002 and new members are welcome to join. The FMI is a national professional association whose vision is "Sharing best practices in managing public sector resources". The membership consists of over 2000 individuals across the country and from all levels of the finance community, with members from federal, provincial, municipal levels of government, the academic world, and private sector firms providing service to governments.

For further information about the FMI, please visit the national website www.fmi.ca. A link to the St. John's Chapter website can be found under "Chapters" on the left hand side of the page, and information provided on upcoming local events sponsored by the FMI.
